

**HERTFORDSHIRE
LOCAL ACCESS FORUM
NEW MEMBERS NEEDED**

Hertfordshire's Local Access Forum needs new voluntary members to help the Forum, which has now been in operation for over 6 years, to advise on all forms of access in Herts.

Due to the need to ensure that all groups interested in countryside & urban access are represented; we are looking for people who can represent cyclists, land managers and disabled access needs. If you are interested or involved in any of the above, we'd like to hear from you.

The Forum is an independent, diverse group of people who meet regularly (4 formal public meetings plus informal workshops / events each year) to discuss ways of improving access to the countryside and advise the county council and others of its views. Members often have more than one area of interest and deal with strategic level access issues across the county.

The job description, person specification for Local Access Forum members and the best practice guide can be found on the Herts LAF web site at: <http://www.hertslaf.org.uk/news.htm>

To apply for a position please write to Richard Cuthbert at the Rights of Way Service, County Hall, Hertford, SG13 8DN, enclosing a CV and saying, in no more than 500 words, why you think you'd be suited to the role and what you think the most important issues are for the Forum to tackle. You may wish to use the information in the person specification and job description to help guide you in describing your experience and skills.

If you'd like an informal chat about the LAF please call Richard Cuthbert or Bob Fenton on 01992 555279. Depending on interest and the number of applicants there may be a need to hold informal interviews.
